

School of Education Curriculum Committee Minutes	March 19, 2014 3:00 p.m. NIB 117
---	---

Chair: Brenda Sabey

Present: John Goldhardt, Susan Hart, Mark Jeffreys, Chizu Matsubara, Linda Wright, Robyn Whipple (secretary)

Curriculum Items	Motions	Vote Results	Action/Discussion
MINUTES	M: Linda Wright	APPROVED	
February 11, 2014	S: Mark Jeffreys		
ANNOUNCEMENTS: None			
FAMILY AND CONSUMER SCIENCE/PHYSICAL EDUCATION, HEALTH AND RECREATION			
FCS 2440: Strengthening Relationships <i>Course Ending</i>	M: Linda Wright S: John Goldhardt	APPROVED	Discontinue course. Linda explained that this course requires a certified Arbinger instructor, and since Tim Eicher, our only certified instructor, is retiring we will have no one to teach the course. Brenda asked if we wanted to put the course on hiatus instead of discontinuing it. Linda said if we wanted to have a relationships class in the future it would be a different format.
FCS 2610: Child Guidance Based on Developmental Theory <i>Course Modification</i>	M: Linda Wright S: Mark Jeffreys	APPROVED	Change course description. Linda explained that the course description was being revised to clarify that students are required to complete lab hours in the DSU preschool. The change is to make sure all students are aware of the requirement before registering for the course.
PEHR 2020: Introduction to Exercise Science <i>Course Modification</i>	M: Mark Jeffreys S: Linda Wright	APPROVED	Change course title, change credits, remove corequisite, and change course description. Susan explained that this course followed a typical junior college format and now needed to be updated to fit into the core of a degree program. It is an introductory lecture course with some hands-on activities. The previous format had a lab attached, which is being discontinued, and the lab activities will be incorporated into the lecture course.
PEHR 2040: Exercise Science Lab <i>Lab Ending</i>	M: Mark Jeffreys S: Linda Wright	APPROVED	Discontinue lab. This lab was a corequisite for PEHR 2020, which is being modified to include lab activities in the course, so the lab is no longer necessary.
PEHR 2060: Sport and Exercise Psychology	M: Linda Wright S: Mark Jeffreys	APPROVED	Change course title and description. Susan explained that the title change is more reflective of what the course actually covers and is more in line with other institutions. This course will eventually become an upper-division course as part of a degree program, but we do not presently have the faculty to offer it as upper-division.
OTHER DISCUSSION			Susan explained the three seminar classes that will be offered in the Fall as she is developing courses to fit into a future degree program. The classes are Programming for Special Populations, Teaching Fitness for Life, and Motor Learning and Development. She showed flyers designed to advertise the classes to students. Brenda pointed out that the flyers need to have the seminar course numbers rather than the course numbers anticipated for the future. Susan will revise the flyers.
NEXT MEETING			Next meeting will be held Thursday, April 24, 2014 at 3:00 p.m.
ADJOURNED: 3:40 p.m.
