Curriculum Items	Motions	Vote Results	Action/Discussion
MINUTES: September 16, 2014	M: Mark Jeffreys S: Linda Wright	APPROVED	
ANNOUNCEMENTS			Brenda noted that she had been alerted to problems with the new CIM software when there was a problem processing the HON 1010 changes that were passed at the September UCC meeting. Robyn said the problems were system-wide and steps were being taken to resolve them. Linda expressed concern that the new system does not have a paper trail and she didn't have a hard copy of the changes she submitted. Mark commented that he is printing out information from the CIM system so he has documentation. It was agreed that is a good idea until the problems with the system are resolved.
FAMILY AND CONSUMER SCIENCE			
FCS 2640: Partnering with Parents <i>Course Modification</i>	M: Linda Wright S: Chizu Matsubara	APPROVED	Change course number to FCS 2180. Linda explained that at the major's meeting we had been asked to change the course number to be in alignment with the rest of the state. It was noted that there was a comment regarding concurrent enrollment, and Linda was asked to make sure the proper box was checked on the form.
PHYSICAL EDUCATION, HEALTH AND RECREATION			
PEHR 1145: Bowling PEHR 1146: Intermediate Bowling <i>Course Modification</i>	M: Linda Wright S: Chizu Matsubara	APPROVED	Change course fee from \$30 to \$40. Linda explained that the fee for the bowling classes has not been increased in many years. The bowling alley has requested the fee increase. The entire fee goes to the bowling alley, and they provide everything the students need, including lanes, shoes and bowling balls. It comes out to \$2 per class, which is a really good deal. Chizu asked which bowling alley is used, and Linda said it is Dixie Bowl.
ADDITIONAL DISCUSSION			Brenda reminded everyone that the November and December meetings will be the last ones before the January UCC meeting, so curriculum changes need to be considered at those meetings. Linda said Rob Snow is working on a marketing course for the Rec Management program that should be on the November agenda. Susan is finishing work on the Exercise Science program proposal and would like input on the assessment portion she just finished. Brenda recommended she send it to her and Linda for review. Susan also mentioned she is waiting for surveys to be returned and asked Brenda to follow up with FYE on them. Mark mentioned that he has been invited by Martha Talman to participate in a meeting about the Urquhart MAPS proposal. Brenda asked him to keep the group informed.
